

Air Conditioner Rental - Air Conditioner Installers - Air Conditioner Hire - Heater Hire

## Console Unit - Air purifier 70 sq m

- Removes up to 95% of airborne pollutants such as household dust, pollen, pet dander, dust mites, mold spores and more...
- Removes particulate as small as .01 microns
- Easy-to-clean, permanent Forever Filter® - attracts and captures charged dust and dirt particles on aluminum plates that are simply lifted out and rinsed off in the sink.
- 3 speeds: Low, Medium and High
- Activated charcoal post filter removes odors and gases.
- Electronic touch control
- Whisper-quiet operation
- Will clean the air in one large room or several small rooms. It fits into any decor; the size is comparable to an audio speaker.
- A true electronic air cleaner, actually harnessing the power of electricity to Deep Clean the air.
