

Air Conditioner Rental - Air Conditioner Installers - Air Conditioner Hire - Heater Hire

PAC 2600 - Compact Air Conditioner 2.6 kw

- This powerful indoor air conditioner combines reliable technology and useful features
- Directive air output
- Variable fan speeds
- Compact design and minimum space requirement
- Programmable 24-hour timer function for on/off times
- Control electronics with digital operating status display
- Removable air filter
- Exhaust Vent hose nominal 1.8m

Technical Details

Cooling CapacityBtu/hr	8,872	
Cooling Capacity(kW)	2.6	
Electrical Supply	230 / 50	
Fan Speeds	3	
Operating Range - Temperature (°C)	16 to 35	
Outlet Hose Length	1250 mm	
Power Consumption (kW)	0.95	
Dry Weight (kg)	36	
Dimensions (mm)	Height	855
	Width	510
	Depth	400
