Crowd Cooler with spray mist

- A very powerful people cooler that injects a mist of moisture into the airstream for external use. It's IP44 rated which means it will stand light showers, and is therefore ideal for outdoor use and event hire. With so many of the events that make up the British summer, held outdoors, the 'Crowd Cooler' will be ideal for cooling crowds at pop festivals, marquee functions, tennis tournaments, cricket matches, gymkhanas, regattas etc.
- Powerful 10,000m³/hr (6300 cubic feet per min) cool air delivery
- Infinitely variable speed control from 0-1350 rpm
- 50 litres water capacity
- 5 - 8 hours operational use before refill
- Adjustable frame constructed out of heavy gauge tubular steel.
- Fully insulated and enclosed motor
