

Air Conditioner Rental - Air Conditioner Installers - Air Conditioner Hire - Heater Hire

### **TBD-3 - Small Dehumidifier 14 ltr / day**

- Compact, rugged all steel construction with heavy duty castors.
- Dual voltage capability (110v/230v).
- Removable water container to allow connection to a permanent drain for continuous use.
- Optional continuous hour meter.

### Technical Details

Air Flow (m3/hr)	200
Average Power (Watts)	1.43
Dehumidification Efficiency	14 litres / day
Fuse Rating (amps)	5(230v) or 10(110v)
Humidity Range (%RH)	30-95
Power Requirement (ph/v/Hz)	1-230/50
	1-110/50
Refrigerant	R134A (0%CFC)
Tank Capacity (ltr)	5
Temperature Range (&deg;C)	0-35
Dry Weight (kg)	35
Dimensions (mm)	Height 640
	Width 370
	Depth 390
