

Air Conditioner Rental - Air Conditioner Installers - Air Conditioner Hire - Heater Hire

FF18 Fan Heater - 18 kw 3 Phase

- 3 phase, Ductable 9.0/18.0 kilowatt Commercial / Industrial Electric Heater. Switchable to 'Fan only' for ventilation applications
- This unit has high efficiency incolloy elements for optimum heating and safety.
- Switchable to 'Fan only' for ventilation applications
- Quiet operation
- 415 volt / 3 phase / 50 Hz power supply
- Supplied with cable for connection by qualified electrician
- Can be ducted up to 10 m
- Duct connection spigot 250mm dia
- Fully stackable steel case

Technical Details

Air Flow (m3/hr)	2028 @ 400 Pa external duct resistance	
Air Outlet Dia.	250mm spigot	
Electrical Supply	415 volt / 3 Phase / 50 Hz	
Full load current (amp)	11 / 22 A per phase	
Starting Current (amp)	31 A per phase	
Dry Weight (kg)	25	
Dimensions (mm)	Height	570
	Width	400
	Depth	520
