

Air Conditioner Rental - Air Conditioner Installers - Air Conditioner Hire - Heater Hire

Table Top Air Purifier

- Employs the easy-to-clean Forever Filter, just wash and rinse ... saving you money! It is a true electronic air cleaner, harnessing the power of electricity - an active-system that removes both large and small particles, not a passive one that collects only the larger particles
- Removes particles as small as .01 micron
- Removes up to 95% of common airborne pollutants: mold spores, dust mites, dirt, animal dander and more
- Permanent, washable Forever Filter®
- 3 operating speeds: Low, Medium and High
- Whisper-quiet operation
- Completes three air changes per hour in rooms up to 200 square feet or 1 air change in areas up to 600 sq.ft.
- Fits into any decor; the modest size is comparable to a VCR at only 15 1/2"
